

# KERNUTTSTOKES

Entry-level Staff accountants have the ability to work in both tax and audit. Responsibilities include a variety of accounting functions such as auditing, preparation of individual and business tax returns, financial statement preparation and general accounting functions for a variety of clients in multiple industries such as forest products, manufacturing, insurance, or medical. We offer flexible scheduling, CPA exam fees reimbursement, ample opportunities for advancement, less than one percent travel required, a variety of work experiences and a great working environment.

Our continued growth is dependent upon talented people with a variety of skills, knowledge and backgrounds. We hire staff accountants with experience in the following areas:

- A Bachelors or Masters in Accounting
- Proficient with MS Excel skills and familiar with the MS office suite
- Solid verbal and written communication skills
- Self-starter with the initiative to ask questions and seek out challenges

Currently, we have four entry level full-time positions available for 2017/2018.

## **Full-Time**
